General Release (included in online registration form)

By signing this statement, you acknowledge that certain activities of the camp programs are physically demanding and inherently dangerous. It is impossible to anticipate all of the hazards campers might encounter while hiking, canoeing, swimming, participating in lake activities (ie, lake toys, Wet Willie water slides, dividing boards, etc.), playing basketball, volleyball, dodgeball, riding mountain bikes, using the high ropes course, the low ropes challenge course, and other physical activity around camp. Some of these might include: slipping or falling on the trail, bumps, bruises, cuts, insect bites, poison ivy, sprains, fractures or other injuries. The camp staff will take every reasonable precaution to minimize exposure to known risks. However, as a participant, the camper acknowledges the nature of the activity and the fact that not all of the stresses and hazards connected with the activity can be foreseen.

It is the camper's responsibility to follow the established safety rules and procedures for each activity. If at any time the camper has questions about the activity, it is the camper's responsibility to consult with a staff member.

I/We recognize that there is a significant element of risk in any outdoor adventure, sport or activity. Knowing the inherent risks, dangers and rigors involved in the activities, I/we certify that our camper is capable of participating in the activities.

I/We understand that pictures and/or quotes of campers may be used by First Community Church/Camp Akita in promoting and/or celebrating the summer camp ministry. I/We give permission to First Community Church/Camp Akita to use any photographs or quotes of our camper(s) for any legal use, including but not limited to: publicity, copyright purposes, illustration, advertising, and web content.
