## Family Camp Terms & Conditions

By signing this statement, you acknowledge that certain activities of the camp programs are physically demanding and inherently dangerous. It is impossible to anticipate all of the hazards campers might encounter while hiking, canoeing, swimming, participating in lake activities (ie, lake toys, Wet Willie water slides, diving boards, etc.), playing basketball, volleyball, dodgeball, Giant Swing, using the high ropes course, and other physical activity around camp. Some of these might include: slipping or falling on the trail, bumps, bruises, cuts, insect bites, poison ivy, sprains, fractures or other injuries. The camp staff will take every reasonable precaution to minimize exposure to known risks.

(I/We) acknowledge the nature of the activity and the fact that not all of the stresses and hazards connected with the activity can be foreseen.

Knowing the inherent risks, dangers and rigors involved in the activities, I/we acknowledge that our family's campers are capable of participating in the activities.

Camp Akita is located in a wooded area that includes forests, grasses, lakes, streams, and wildlife, and inherit risks therein. Examples of wildlife encounters might include but are not limited to spiders, mosquitoes, bees, ticks, bats, fish, raccoons, mice, deer, and snakes. I/We acknowledge said risks and assume any medical expense incurred due to an encounter with wildlife, including any costs not covered by insurance.

It is each camper's responsibility to follow the established safety rules and procedures for each activity. If at any time a camper has questions about the activity, it is the camper's responsibility to consult with a staff member.

I/We understand that pictures and/or quotes of campers may be used by First Community Church/Camp Akita in promoting and/or celebrating the summer camp ministry. I/We give permission to First Community Church/Camp Akita to use any photographs or quotes of our camper(s) for any legal use, including but not limited to: publicity, copyright purposes, illustration, advertising, and web content.

I/We give permission for our camper(s) to be transported in First Community Church/Camp owned vehicles, if necessary for emergency purposes.

I/We assume full responsibility for bodily injury, death, loss of personal property and expenses thereof, as a result of any family member's negligence.

Physical violence or threats during participation by a camper is strictly prohibited. The Directors reserve the right, at their discretion, to withdraw any camper whose influence or actions are deemed dangerous or disruptive to the experience of other campers and staff, or are not living within the rules and policies of First Community Church/Camp Akita. Should this occur, no reduction or return of fee, or any part thereof will be made.

I/We understand that any cancellation to the family's registration(s) will follow the Cancellation Policy as stated on Camp Akita's website. Any refunds issued will not include the non-refundable deposit (\$75 per family), which will be retained by First Community Church/Camp Akita. No refunds will be issued for campers that are sent home with either a positive COVID-19 test result, and/or were in close contact to a camper with a positive COVID-19 test result.

In the event of an emergency and all reasonable attempts to contact me have been unsuccessful: I/We give permission to the physician or hospital selected by the camp authorities to secure emergency stabilization and treatment, to hospitalize, to order injections, anesthesia, or surgery for above named camper. I/We agree to assume responsibility for medical costs incurred, including any costs not covered by insurance.
